

# Strategic Planning Process

## Initial Dialogue

# 1

Initial dialogue about the mission and the vision of Glenn Public School. The strategic planning process is reviewed and explained.

**September  
2022**

## Stakeholder Input

# 2

Stakeholder input is gathered based on open-ended questions developed from within categories identified with support by the Board of Education. All stakeholders are able to provide input with numerous opportunities.

**October -  
February 2023**

## Analysis of Input

# 3

Analysis of input is conducted to create time-bound, measurable goals. Visionary bullet points are developed that support the overall vision of the district.

**March-April  
2023**

## Goal Development

# 4

The mission and vision of Glenn School, incorporating feedback and the goals that resulted from analysis, is communicated. Determination of how goals will be measured is explored.

**April-May  
2023**

## Launch

# 5

Glenn School Board of Education reviews and approves Strategic Plan Goals. Strategies are implemented to work towards goals. Progress is monitored and evaluated regularly.

**June 2023**

## What are the goals of the Strategic Planning Process?

- Identify and assess strengths
- Gauge values and perspectives of the community
- Provide opportunity for input
- Identify areas of improvement
- Gather data to use as decision-making tools
- Develop communication plans and tools
- Identify indicators of success
- Engage all stakeholders in understanding current realities and aspirations of district
